Here we are again with another epis tle for the people who read this paper. The "mighty dollars" are rather scarce this fall, and it is for those that have them to use them to the best advantage. Now, the question arises, where is the best place to leave them, where can we get the largest amount of goods for the money? Well, now let us make a suggestion, and that is, that you come and try us. We are confident that we can
